our vision

Alkan Chemical’s mission is to understand customer’s expectations and provide them with the best service quality products and documentation to launch successful products on the market.

We are not a simple supplier; we are your partner!

main objective:

“Our main objective is to serve as a trusted partner to pharmaceutical companies worldwide, offering a comprehensive range of APIs, excipients, and Nutraceuticals of the highest quality at competitive prices. By prioritizing customer satisfaction, innovation, and operational excellence, we aim to establish enduring relationships and drive mutual success.”

about us

Alkan Chemical is a leading independent distribution company serving the pharmaceutical industries since 2009.

We are well established, flexible and specialized in sourcing, trading and distribution of Pharmaceutical raw materials.

We create added value by offering services in the areas of, transportation, distribution, warehousing, and customs clearance affairs. Our aim is to guarantee our customers best quality, imparts shipments comprehensive technical, scientific, regulatory and commercial support along the entire value chain.

our product list

Product Compliance

- Ammonium Glycyrrhizinate..... USP/BP/EP
- Ascorbic Acid..... USP/BP/EP
- Calcium Carbonate DC USP/BP
- Calcium Carbonate Heavy USP/BP/EP
- Calcium Carbonate light USP/BP/EP
- Calcium carbonate ppt..... USP/BP/EP
- Calcium Citrate USP/BP/EP
- Calcium Gluconate USP/BP/EP
- Calcium Phosphates USP/EP (Anhydrous/Monohydrate)
- Calcium Polysterene Sulfonate..... USP/BP/EP
- Carboxy methyl cellulose calcium USP/BP/EP
- Carboxy methyl cellulose sodium..... USP/BP/EP
- Citric Acid Mono & Anhydrous..... USP/BP
- Crospovidone USP/BP/EP
- Disodium Phosphate..... USP/BP/EP
- DL-Malic Acid BP/EP
- Ferrous Bisglicinate USP/BP
- Ferrous Fumarate USP/BP/EP
- Ferrous Gluconate USP/BP/EP
- Glycerin USP/BP/EP
- Hydroxypropylcellulose..... USP/BP/EP (SSL;SL;L;LM;M;H;VH)
- HPMC E4..... USP/BP/EP
- HPMC E4m USP/BP/EP
- Hypromellose Phthalate USP/BP/EP (HP-50, 50s, HP-55)
- Hypromellose Succinate USP/BP/EP
- Lactose Monohydrate USP/BP/EP
- Lecithin USP/BP/EP
- Low Substituted EP Hydroxypropylcellulose (11;21;22)
- Magnesium Carbonate USP/BP/EP

Product Compliance

- Magnesium Hydroxide BP/EP
- Magnesium Hydroxide DC USP/BP/EP
- Magnesium Oxide (Heavy & Light) USP/BP/EP
- Magnesium Sterate USP/BP/EP
- Mannitol USP/BP/EP
- Microcrystalline Cellulose (Avicel 101)..... USP/BP/EP
- Microcrystalline Cellulose (Avicel 102)..... USP/BP
- Microcrystalline Cellulose + Na-CMC USP/BP/EP (Avicel RC 591)
- Monopropyleneglycol USP/BP/EP
- PEG 3350, 4000, 6000, 8000, 400 USP/BP/EP
- Polyvinylpyrrolidon (PVP K17)..... USP/BP/EP
- Polyvinylpyrrolidon (PVP K25)..... USP/BP/EP
- Polyvinylpyrrolidon (PVP K30)..... USP/BP/EP
- Polyvinylpyrrolidon (PVP K90)..... USP/BP/EP
- Polyvinylpyrrolidon (PVP/VA64)..... USP/BP/EP
- Polyvinylpyrrolidon (PVP/XL10)..... USP/BP
- Potasium Bicarbonate USP/BP
- Potassium Benzoate USP/BP/EP
- Potassium Carbonate USP/BP/EP
- Potassium Citrate USP/BP/EP
- Simethicone 100 % USP/BP/EP
- Simethicone 30 % USP/BP/EP
- Sodium Ascorbate USP/BP/EP
- Sodium Bicarbonate USP/BP/EP
- Sodium Citrate USP/BP/EP
- Sodium Phosphates USP/BP/EP
- Sodium Saccharin USP/BP/EP
- Sodium Starch Glycolate USP/EP
- Stearic Acid USP/BP/EP
- Sucralose BP/EP
- Zinc Gluconate USP/EP
